

**Global Lift Equipment
Friday 9th September '05**

On Friday 9th September Global Lift Equipment held their first *Wheels & Wine Extravaganza* at their head offices in Flint, North Wales. The event was attended by nearly 100 guests consisting of Lift Companies, Lift Consultants, Local Authorities from all over the UK and European Suppliers.

Despite the weather, the festivities started with a warm welcome and light refreshments in the marquee situated in Global's grounds. Customers were then invited to browse around the warehouse facility with the sales team amongst the various exhibits showing which equipment Global have to offer.

On show were a number of displays of Fermator doors including the new circular glass doors which have been installed in a local college by Amalgamated Lifts. Montanari included their latest gearless machines and conventional geared with the new Brake on the slow shaft. There was an exciting display of the latest DMG pushes and fixtures including a range of DDA equipment. Complete modernisation solutions were on show including prewired controllers, autodiallers, Fermator modernisation operators, lift cars, engineering kits and a range of Cedes door detectors & sensors. Complete lift packages included the MRL traction Optima and the new MRL hydraulic solution.

Global took the opportunity to launch their new WEBSITE www.global-lift.com.

The Wheels & Wine Extravaganza had a motoring theme where guests were invited to show their vehicles in an exciting display of 25+ vehicles which included cars, motor bikes, mini-motos and even a couple of vintage tractors made an appearance!

After a delicious buffet lunch the sun came out and guests were invited to self judge the vehicles on show and the results collated for the prize giving at the end of the day.

Entertainment was on hand throughout the day, a magician, a variety of music and a Casino with roulette and poker tables. Global took the opportunity to raise some money for a local charity - the Coronary Care Unit at a nearby hospital "Glan Clwyd, Bodellwydan" raising nearly £500.00!

The lucky winners of the casino in 2nd & 3rd place were Colin Patterson of Amalgamated Lifts and John Brown of JB Lift Services. The overall winner in first place was Peter Mills of London Borough of Barnet who won an exciting track day at The Le Mans Classic Car Experience where he will have the opportunity to drive a variety of classic Jaguars and an Aston Martin DB6.

Winners of the vehicle display included Geoff Breakell of Breakell Lifts, Dave Bishop & Gordon Wheeler of Acre Lifts and Susan Terry & Mike Roberts of Global!

After a fun packed day of free flowing wine and fine food, those customers who chose to do so were taken by coach to sample the nightlife of the local city of Chester - unfortunately these photographs have been censored but we can announce a good time was had by all (well those who can remember it!)

The directors and staff would like to thank those guests who helped make the event a memorable experience.
